Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322.

Respecting the alleged error on the title page, Item [63], Related U.S. Application Data, the claim for priority was not timely and could possibly raise further consideration.

In view of the foregoing your request is hereby denied.

Further correspondence concerning this matter should be filed and directed to:
